**Visit of the committee for protection of the constitution from the Abgeordnetenhaus of Berlin to
Israel**

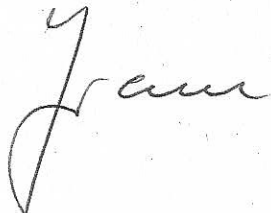

Dear Mr. Arieli,

On behalf of the committee for protection of the constitution I would like to thank you most warmly. It was a great honour to visit your wonderful country. I would like to thank you for addressing the committee and for sharing your views with us on the importance and difficulties of border matters.

The opportunity to meet and talk, to get an insight and to promote greater understanding of the israelian situation was a vital aspect of our visit. Members attending will take away very positive memories of your tour with us. I would like to thank you very much for the part you played in making our visit such a success.

With renewed thanks and best wishes.

Yours sincerely,
