Col (res.) Shaul Arieli

Dear Shaul;

We wish to thank you for addressing the board of directors of Canada's pro-Israel lobby, the [Centre for Israel and Jewish Affairs](#) (CIJA), during the board's recent study mission to Israel.

Your presentation was very well received by the board, and added important analysis and perspectives to their visit.

Thank you again so very much for your time, friendship and wisdom.

Sincerely,

David M. Weinberg
