Mr. Shaul Arieli

Dear Mr. Arieli,

On behalf of the CNAS Next Generation National Security Leaders Delegation, I want to extend my sincere thanks for taking the time to meet with us during our trip to Israel. We enjoyed hearing from you and appreciated the wonderful and extensive tour of Jerusalem, Mount of Olives, and Nabi Samawil.

The Next Generation Fellows are comprised of some of the best and brightest of Washington's emerging national security leaders, and this trip follows their year-long learning and development fellowship. Their time in and around the Holy City was most certainly a highlight.

The Next Generation Fellows truly enjoyed the opportunity hear and learn from you. When you find yourself in Washington, please let us know so that we might have the opportunity to host you at the Center for a New American Security. Thank you again for investing in the next generation of national security leaders.

Yours sincerely,
